Corona

Corona sounds like (or sounds out) Korona

"Koron" derives FROM Moron

"Koron" derives FROM Kroon

"Kroon" derives from nothing

*and stops the process because "Kroon" can no longer make words from it; other than "Koron", which "Koron" translates TO Kroon. So then it **reverses the process**.*

Coronation

"Corona" translates into "Coronation"

March 12, 2020 at 11:40 PM

Corona

Corona sounds like (or sounds out)
Korona

"Koron" derives FROM Moron
"Koron" derives FROM Kroon
"Kroon" derives from nothing
and some process because
"Kroon" can no longer make words from
it; other than "Korona" which "Koron"

Ad

Coronavirus

Coronation

"Coronation" derives FROM "Corona" therefore it stops the process.

Coronation meaning:

< Creative Thoughts

Done

... derives from nothing
and stops the process because
"Kroon" can no longer make words from
it; other than "Koron", which "Koron"
translates TO Kroon. So it reverses the
process.

Corona

Coronation

"Corona" wants to translate into
